Administration Report of the Commissioner of Elections - 2011

The enumeration of electors for the year 2011, certifications of the electoral register revised for the year 2010, holding of elections to Local Authorities, filling of vacancies in the membership in Parliament, Provincial Councils and Local Authorities were the main activities of the Department of Elections in the year 2011.

2.0 Registration of Electors Act No: 44 of 1980

2.1 Revision of the Electoral Register - 2010

- 2.1.1 The enumeration of electors for the year 2010 was commenced on 01.06.2010. The notice under Section 12(1) of Registration of Electors Act No: 44 of 1980 was published in Gazette No: 1656/20 of 01.06.2010 to inform the eligible persons the method of including names into the electoral register 2010 and the same notice was published in Sinhala, Tamil and English news papers as well on the same day.
- 2.1.2 Instructions were issued to the Registering Officers on the enumeration of electors in all electoral Districts and steps were taken by the Commissioner of Elections on 20.04.2010 to inform the Secretaries of Recognized Political Parties on the revision and on the appointment of representatives of political parties for the purpose.
- 2.1.3 After the completion of the task of enumerators the "A" and "B" lists were prepared and the operative electoral registers were exhibited along with them from 01.01.2011 - 28.01.2011. An opportunity for the submission of claims and objections for the year 2010 also was provided for the public during this period. The notice under Sections 13(2) of Registrations of Electors Act in this connection was published in Gazette No: 1634/29 of January 01st, 2011 and in the news papers.
- 2.1.4 Number of claims and objections received by District Registering Officers during this period is shown in Table I. 97,215 claims and 573 objections were received from all Electoral Districts
- 2.1.5 After the operations launched to defeat terrorist groups in the Northern Province in the year 2009, Government took steps to settle displaced families in welfare camps mainly established in Vavuniya. In addition, a considerable number of such families were living in temporary residences of their choice. Those families were from almost all polling divisions of the Northern Province, but most of them were from Kilinochchi, Mullativu, Mannar and Vavuniya polling divisions.
- 2.1.6 The resettlement of displaced families had to start only after defining is completed and security situation of resettled areas is confirmed by security forces. Resettlement had to be carried out in stages and therefore, there were a large number of areas unsettled even by 01st June, 2010.

- 2.1.7 Resettlement activities of displaced families were more prevalent in Killinochchi and Mullativu polling divisions at the time of enumeration of electors for 2010. Action was taken this year to open an Election Office in the Mullativu District in addition to Election Office in the Killinochchi District. The number of voters enumerated house to house in these polling divisions for 2010, was more than in 2009.
- 2.1.8 According to the Registration of Electors Act, the period for calling of claims and objections relevant to a revision year of the electoral register, can be postponed only up to the end of January in the following year, maximum. Accordingly claims and objections were allowed for 28 days of January 2011. This step was taken especially to ensure that the displaced persons get registered.
- 2.1.9 It was revealed that most of displaced families from Mannar district had put up their own permanent houses in Puttalam. Most of them did not like to get their names registered in the Puttalam District, but were trying to register their names in the electoral register of Mannar under their previous residential address. Therefore the number of persons submitted claims for registration in Mannar polling division was high and that number was 20,251. Action was taken to appoint Deputy/ Senior Assistant and Assistant Commissioners of Elections of other Electoral Districts as Assistant Registering Officers for Vanni Electoral District in order to expedite the process of holding inquiries over claims, within the limited period.
- 2.1.10 The displaced electors who have not been resettled by the time of the enumeration of the 2010 revision of electoral registers in the North were registered for year 2010 in their previous resident areas without any change and the details of those polling districts are shown in the Table II.
- 2.1.11 Though there were some difficulties in enumerating the electors in the Northern Province for 2010, it could be completed through the distribution of BC forms among chief occupants and therefore the errors in the electoral registers of that area were minimal.
- 2.1.12 Section 12(7) of Enumeration of Electors Act No: 44 of 1980 stipulates steps that should be taken in regard to plural registration. The Computer software used for the preparation of Electoral Registers in all electorates for 2010, provides with a facility to obtain reports on persons who have registered their names in several address in an electorate with same National Identity Card numbers.
- 2.1.13 When Districts Registering Officers detected that persons have asked for their names to be registered in more than once place, they were informed to register their names under one address and steps were taken to register them accordingly avoiding plural registration. Thus 44,123 names of plural registration were deleted from the electoral registers in 2010, and 15,986 names out of that were in Colombo Electoral District. Details in this connection are shown in Table III.

- 2.1.14 Electoral Registers for 2010 was certified on 31st May 2011 in terms of Section 18 of Registration of Electors Act. The notice to that effect in terms of Section 20 of the Act was published in Gazette No: 1708/13 of 31.05.2011 and in newspapers.
- 2.1.15 The determination of the Commissioner of Elections in terms of sub Article 98(8) of the Constitution on the number of Members to be elected for each electoral district is made on the basis of certifications made by District Registering Officers under Section 23 of Registration of Elector Act after certifying the Electoral Registers. This Order was published in the Gazette No: 1715 / 4 of July 18th, 2011.
- 2.1.16 Accordingly the number of members for Jaffna Electorate was decreased by 4 and the number of members of electoral districts of No: 08 - Matara, No: 15- Kurunegala, No: 19 - Badulla and No: 21 - Ratnapura was increased by one each. Decreasing of the number of members of Jaffna Electorate was highlighted by politicians in the Northern Province and the media as an act done purposely. Therefore a clarification by the Commissioner of Elections in this connection was published through media and detailed descriptions in the Department Website.
- 2.1.17 The total number of members to be elected for the Parliament at the general elections is 196, and out of that 160 Members have to be elected from electorates. This Number is distributed by the Commissioner of Elections annually under Article 98(8) of the Constitution, in proportion to the number of electors registered in each electorate as reported by District Registering Officers after certification of electoral register. The balance 36 Members to be elected were allocated to 22 electoral districts under Article 96(4) of the Constitution by the Delimitation Commission on the criteria stipulated in the Constitution. That number of members allocated for each electorate never changes. Since the electors in Jaffna Electorate have not been enumerated house to house for a long period, the names of deceased electors as well as of those who are not living in the electorate also were included in this register until 2009. But in 2010, the electors of Jaffna electorate also were enumerated house to house and as a result the number of electors for 2010 has been reduced drastically. Consequently the number of members to be elected for Jaffna Electorate on the basis of he number of electors has been reduced and the details are shown in the following Table.

Year	No of Electors	Seats allocated in terms of Article 98(8)	Seats allocated in terms of Article 96(4)	Total
2009	816,005	09	01	10
2010	484,791	05	01	06

- 2.2.2 Instructions on the enumeration of electors in all electorates were issued to District Registration Officers on 30.03.2011 and Secretaries of recognized Political Parties were informed by the Commissioner of Elections about revision and the appointment of party representatives.
- 2.2.3 The enumeration of electors was commenced on 01.06.2011 and "A" and "B" lists prepared by enumerators were exhibited from 02.11.2011 to 30.11.2011 with the operative electoral registers and claims and objections for the year 2011 also were accepted during this period. Notice about this exhibition was published under Section 13(2) of Registers of Electors Act in the Gazette No: 1730/10 of 02.11.2011 and in the news papers on the same day.
- 2.2.4 The electors who were unable to submit their details through B.C forms in 2011 were informed through news papers to submit them before 15.10.2011 to District Elections Offices in a new form (U.E.Form). The relevant electors could submit those forms with or without the recommendation of Grama Niladhari and the District Registering Officers were instructed to consider them as claims.
- 2.2.5 Number of claims and objections received by District Registering Officers for each electorate during this period is shown in Table IV. 110,565 claims and 718 objections were received. Inquiries in relation to them were arranged to be held after December in 2011.
- 2.2.6 House to house enumeration of Electors was conducted in the Northern Province in 2011 by Grama Nildaris except for a limited area where displaced persons have not been resettled in the Electoral Districts No: 10 Jaffna and Electoral District No: 11- Vanni Electoral District.
- 2.2.7 Steps were taken to register the names of eligible displaced electors who were in welfare camps and other places outside their original resident areas, in their previous addresses where they have been registered. The names of voters in the previous year's electoral register whose details could not be obtained through the enumeration were included in the revised register.
- 2.2.8 Number of electors registered in 2009 and 2010 is given in Table V according to the Electoral Districts.

3.0 Parliamentary Elections Act No: 1 of 1981

3.1 Recognition of Political Parties

3.1.1 Provisions relevant to recognition of Political Parties in the Parliamentary Elections Act No: 1 of 1981, were amended by Parliamentary Elections (Amendments) Act No: 58 of 2009. Accordingly the Commissioner of Elections should call for applications from Political Parties for recognition in January every year. If any election is conducted during that month, applications should be called within 30 days after the conclusion of such election.

3.1.2 Due to the holding of elections to Local Authorities on 17.03.2011, 23.07.2011 and 08.10.2011 in 2011 and the elections to Pudukudiiruppu and Maritimepatthu Pradeshiya Sabhas were scheduled to be held before 31.12.2011, action could not be taken regarding the recognition of Political Parties during the year 2011.

6.0 Local Authorities Elections Ordinance

6.1 Local Authorities Elections - 2011

6.1.1 At the time of Local Authority elections in 2011, there were 335 councils and, out of that nominations were called for only 301 councils by respective Returning Officers on 06.01.2011 and elections for the remaining 34 councils were not held due to various reasons. Out of that the term of office of 22 Local Authorities were extended up to

31.12.2011 by His Excellency President under Section 5 of Public Security Ordinance. Colombo Municipal Council has been dissolved by this time. Apart from that the term of office of 9 councils in Batticaloa District and 2 councils in Jaffna and Vavunia Districts have not expired up to that time.

- 6.1.2 Accordingly nominations for 301 councils were received at the Offices of District Returning Officers from 20.01.2011 up to 12.00 noon on 27.01.2011. Out of 2,047 nominations received, 1595 were accepted and 452 were rejected. Elections were held on 17.03.2011 for 234 Local Authorities except for the 65 Local Authorities where nominations were rejected on account of the cases filed in courts and 2 Local Authorities where resettlement of displaced persons was not completed because demining was not over.
- 6.1.3 Out of 452 rejected nominations, 68 were challenged in courts and due to court orders, elections were held for 65 councils on 23.07.2011.
- 6.1.4 Nomination notices for 23 Local Authorities including 22 councils of which the term of office was extended by his Excellency the President under Section 5 of Public Security Ordinance and re-established Colombo Municipal Council were published on 04.08.2011 and elections were held on 08.10.2011 on the 264 nominations accepted for them.
- 6.1.5 The resettlement of displaced persons and removal of landmines in Pudukudurippu and Maritimapatthu Local Authority areas of Mullativu District were not completed according to the Returning Officer and elections to those Local Authority areas were postponed till 10.03.2012. It was reported that 5017 families of these two council areas were yet to be resettled.
- 6.1.6 According to the electoral register of 2009 number of voters eligible for casting of votes at the elections in 2011, held on 17.03.2011 for 234 Local Authorities were 9,438,132. The elections were held at 7,396 Polling Stations and a total number of 25,108 candidates by 927 nominations of 29 Recognized Political Parties and 388 of Independent Groups contested. The number of members elected at these elections were 3,036.
- 6.1.7 At the election held on 23.07.2011 for 65 Local Authorities on Court orders, 2,630,985 electors were eligible to cast the vote at 2,276 polling stations according to the electoral register of 2010. The election was held to elect 825 members. There were 5,688 candidates from 20 Recognized Political Parties and 237 nominations from 72 Independent Groups.

6.1.8 Elections for 22 Local Authorities postponed by His Excellency President under the Emergency Regulations and the election to the Colombo Municipal Council were held on 08.10.2011. 6,488 candidates contested representing 26 recognized Political Parties and 104 Independent Groups. These elections were held to elect 420 members. According to the Electoral Register of 2010 number of eligible voters were 15,89,622 who were entitled to cast their votes at 1,167 polling stations.

6.2 Steps taken in connection with the poll.

6.2.1 The specific feature of the elections held on nomination notices published on 06.01.2011 and 04.08.2011, was the higher number of recognized Political Parties and Independent Groups that submitted nominations. It was observed that robot parties and groups were put forward for the elections by some Political Parties to fulfill their own motives.

Apart from that some candidates displayed their preferential numbers assigned to them with the names of popular persons and their photographs, in handbills, to mislead the voters with the aim of collecting preferences. Prompt action was taken in such occasions.

6.2.2 Due to the Proportional Representation System, it was observed that there was competition between political parties and among the candidates of the same party. Therefore number of complaints received was high after nominations, on displaying of illegal posters, banners, cutouts and misusing of public property for the election campaign. Commissioner of Elections took appropriate action and informed such activities to the Inspector General of Police and other related institutions to remove such items and to take necessary action.

6.2.3 Holding of these elections at three stages may be one reason for the increase of illegal activities at the election campaign. Under these circumstances, Political Parties in power put more pressure in electoral areas. With the increase of illegal election propaganda activities, election violence also took place. It has been clearly visible that the directives of the Commission of Elections issued in regard with the establishment of party offices have been neglected.

6.2.4 Illegal Political campaigns and election related violence was one of the main topics at the consultative meetings convened by the Commissioner of Elections to ensure fair and peaceful elections, where IGP and Secretaries of Political Parties represented.

As the responsibility of enforcement of laws is with the Police including the IGP, instructions were issued to that effect. Alternative steps were taken having considered the requests made by the party Secretaries at the consultative meetings at previous elections, were considered to be implemented.

- I. Taking a report from the District Returning Officers on displaying of illegal election propaganda items and referring it to the IGP.
- II. Issuing instructions to all Secretaries of Ministries on prohibitions of misusing public property and holding of discussions in depth on this matter with Additional Secretaries.
- III. Issuing of guidelines for private and public media institutions and discussing the ways of implementing them with heads of those electronic and print media institutions.
- IV. Giving instructions to respective authorities to postpone appointments and transfers to employees unless they were done on service requirements but allegedly on political reasons.
- V. Taking steps to prevent government vehicles and other public property being used for political campaign, upon the confirmations of the complaints.
- VI. Taking steps to send officials from adjoining districts and from the Colombo pool to electoral areas for the poll and for the count.
- VII. Before the transport of ballot boxes to the counting centers the ballot boxes used at the polling stations to be sealed and put in to a thick transparent polythene bag and locked with tamper proof plastic locks.
- VIII. Issuing of copies of Ballot Paper Accounts prepared after the poll, to polling agents.
- IX. Allowing polling agents to paste stickers inside the ballot boxes and also to send specimen of such stickers to the Chief Counting Officers through Senior Presiding Officers.
- X. Issuing a pass to a polling agent of a Party / Group by the Senior Presiding Officer after the poll to follow the vehicle that takes the ballot boxes for the count.
- XI. To allow one counting agent of a party or a group to be present at the assigned counting center for observing the process of receiving ballot boxes and other items.
- XII. Issuing copies of result sheets prepared in carbonized papers at counting centers to counting agents of represented parties or groups that obtained highest, second and third places of the number of votes.
- XIII. Allowing candidates in addition to the counting agents of a party or a group to observe counting of preferences of such party or groups, providing more opportunity to observe the process of preference counting.

- XIV. Issuing a copy of the result sheets on the counting of preferences to the Secretary of a Party or the Group Leader of the Independent Group.
- XV. Issuing a copy of the result sheets prepared on the preference count at the counting centers to the respective Party Secretary or the Independent Group leader.

6.3 Pre election period and poll day

- 6.3.1 The poll day was calm at the recent elections, though the pre election period recorded troubles to some extent. The contest prevailed between parties and among candidates of same parties. Some violence related activities were reported due to illegal election propaganda activities. However the poll was taken place under a peaceful atmosphere on the poll day.
- 6.3.2 The Commissioner of Elections published through media and informed the Secretaries of Political Parties that he would take necessary action to annul the poll at polling stations if any disturbances for the poll occurred. Producing of identity documents by voters at polling stations at the time of asking for ballot papers was made compulsory. This was effective since the Local Authority Elections in 2006. These steps were instrumental in the calm atmosphere on the poll day.
- 6.3.3 Reports on the poll were received from Senior Presiding Officers, Police Officers, on duty at polling stations. Observers who were at polling stations and Assistant Returning Officers who supervised the zones. Approval was given to the observers of PAFFREL and CMEV to remain in the polling stations and observe the poll.
- 6.3.4 Few other institutions were permitted to do field observations and report. Six professionals from Indian Elections Commission were deployed to obtain suggestions to improve the electoral system after studying the poll and the counting procedure of the Local Authorities Elections held on 08.10.2011.
- 6.3.5 On the poll day at phase 1 of the Local Authority Elections in 2011 and during the Elections period up to few days after the poll of the second and third phases held on 28.07.2011 and 08.10.2011 respectively, a complaints Co-ordinating Center was established at the Elections Secretariat to receive complaints and take prompt action as at previous elections. This unit consisted of Senior Staff Officers, Senior Police Officers, representatives of Political Parties and Observer Groups.
- 6.3.6 Counting of votes commenced in appropriate manner as there were no any adverse reports received in nature of disturbing the poll.

6.4 Counting of Votes and declaration of results.

6.4.1 A number of counting centers for each Local Authority was established in the manner that the result could be prepared for each council separately and result of each council was checked at the Head Office and confirmed by the Commissioner of Elections.

6.4.2 Two seats of each council were allocated for the Party or Independent Group obtained the highest number of votes at the election and the balance sheet had to be allocated to the parties and groups proportionately on their number votes.

Accordingly, the number of members appointed from each party and group was decided and the first result of the count was published by the Returning Officers and also through the media.

6.4.3 Next, the preferences of each candidate of parties and groups that were entitled for electing members for council were counted to decide the members to be elected and after that the names of elected members were declared.

6.4.4 The Returning officers took steps to obtain information under 65(1)C Section of members to be appointed as Mayors / Deputy Mayors and Chairman / Deputy Chairman from the Secretaries of Recognized Political Parties and Independent Groups entitled for bonus seats and the notice was published under sections 66(1). The Commissioner of Elections published relevant notices in the gazette in terms of the Section 66(2) of the Ordinance.

08.10.2011	23	15.10.2011, 1727/24

6.4.5 Elections held at first stage were based on the electoral register of 2009 and it was used for postal voting purposes at the election held in second stage too. But at the time of the second stage of elections, the electoral register of 2010 was the operative electoral register and election was held on that register. This electoral register was used for the elections at the 3rd stage.

This was a significant feature in the elections history. It was also significant that the elections in second and third stages were held under supervision of the new Commissioner after the retirement of the former Commissioner of Elections after the first phase.

- 10.1 The recurrent expenditure for year 2011 was Rs. 2,161 million and it indicates a decrease of Rs. 1,834 millions when compared with the previous year. This increase in the year 2010 was due to the holding of two national elections in that year.
- 10.2 Rs. 2126.8 million was expended on Local Authorities Elections at the rate of Rs. 148.57 per each elector. Generally Rs. 1,900/- million is spent on a national election. The cost of election of the year has gone up because these elections were held at three separate stages.

- 10.3 The capital expenditure was Rs. 54.4 million and when it is compared with Rs. 44.3 million in 2011 it shows an increase of 10 million. This increase was due to the completion of construction work of Battcaloa Elections Office, buying a new crew cab, buying a new jeep for the Commissioner of Elections and the supply of new machinery and furniture for District Elections Offices.
- 10.4 It was impossible to meet the demand for loans from the Advance Account during this year. The loans granted in this year was Rs. 9.8 million and in 2010 that amount was Rs. 15.5 million.
