ADMINISTRATION REPORT OF THE COMMISSIONER OF ELECTIONS FOR THE YEAR 1988

1. Introduction

The year 1988 surpassed all expectations for the Department when it had to complete two National Elections and stepped on to another one, over-lapping each other in arrangements, in addition to the work of a Delimitation Commission which had to complete its task within a six-week period.

1.1. The Thirteenth Amendment to the Constitution provided for the creation of Provincial Councils in Sri Lanka. This was a new unit of devolution of authority. With the passage of the Provincial Councils Elections Act, No. 2 of 1988, the Department geared itself to conduct elections to the Nine Provinces of the country. These elections were held on a staggered basis spread over four different dates.

1.2. Article 31(3) of the Constitution stipulated that the election of a new President be held not less than one month and not more than two months prior to the expiry of the term of office of the incumbent President. With nine days away for the last Provincial Council Election on 19th November, Nominations for the Presidential Election were received on 10th November, 1988, and the Poll was conducted on 19th December, 1988. The new President was declared elected at 5.38 p.m. on 20th December, 1988.

1.3. The Fourteenth Amendment to the Constitution stipulated the appointment of a Delimitation Commission to carve out the larger Electoral Districts returning more than 10 Members into two Zones and more than 20 Members into three Zones, each. The Commission which was appointed by His Excellency the President on 2nd June, 1988, started its work on 6th June, 1988, at the stage that the Department was busy with the final stages of the election to the Southern Province Provincial Council on 9th June, 1988. According to the Fourteenth Amendment, the Commission had to finalise its recommendations within a two-month period. The Report was submitted to His Excellency the President on 15th July, 1988, carving out one Electoral District into three Zones and six other Electoral Districts into two Zones each. However the Fifteenth Amendment passed on 17th December, 1988, vacated the provision under Article 96A, thus vacating the recommendations as well.

1.4. The Results of the Presidential Election were yet been received in preparation for the final Declaration of Results late evening, when around 11.00 a.m. His Excellency the President proclaimed the Dissolution of the Parliament on 20th December, 1988. This Proclamation fixed the period of Nomination as December 30th, 1988 to January 6th 1989, the date of election as 15th February, 1989, and date of the first meeting of the Parliament as 9th March, 1989.

1.5. The Select Committee on Franchise and Elections concluded its sittings on February 21st, 1988, and the final Report was presented to Parliament on March 8th, 1988. This was followed with several Acts to amend the Constitution and the Elections Laws.

- 1.6. Revision of Electoral Register, 1988 continued to be out of step both due to problems in the North and East and some parts in the South too, in addition to the continued work load of Provincial Council Election, Presidential Election and the Parliamentary General Election.
- 1.7. Applications for the recognition of Political Parties which was once an year hitherto, and on which applications were disposed of recognising four new Political Parties for the year 1988, had to be received again consequent to an Amendment passed on 16th August, 1988. Consequent to this provision, new applications were received. Five Political Parties were recognised from this set of nineteen new applications.

2. Registration of Electors Act, No. 44 of 1980

2.1. *Revision of Electoral Registers—1987*

2.1.1. The preparation of the Electoral Register 1987, which commenced on June 1st, 1987 was completed in early 1988 and the Register was certified on May 5th, 1988. Inquiries into Claims and Objections were completed towards February, 1988. There was a total of 4,400 Claims for all the Electoral Districts of which 2,683 were allowed and 1,717 were disallowed. Number of Objections were limited to 135 of which 59 were upheld and 76 were rejected. Table I indicates the details of Claims and Objections received. The total number of electors reached a figure of 9,374,880 which is 252,613 electors above the 1986 figure. Table II gives the comparative analysis of Electors in the 22 Electoral Districts in the years 1986—1987. Table III gives the comparative figures 1978—1987.

2.2. *Revision of Electoral Registers—1988*

2.2.1. Revision of Registers commenced on June 1, 1988. Field enumeration was undertaken by a total of 6,845 Grama Seva Niladharis and 150 Special Enumerators. The work in connection with the election to the Provincial Councils of the North-Central, North-Western, Uva, Sabaragamuwa, Western and Central Provinces affected the revision work. The Government Printer found it impossible to cater with the necessary forms in respect of all these areas. In addition, it was not possible to undertake a house to house enumeration, on the eve of an election. In addition the resistance to the Provincial Councils Elections in some areas, placed the enumeration at a tremendous disadvantage sometimes placing the lives of the enumerators at stake. Although the number of Grama Seva Niladharis was quite ample to undertake this work on schedule, the unusual setting of an election disturbed and delayed the work. Field enumeration in the North and the East was disturbed to a very large extent and some areas had to be abandoned. In the North and the East the normal field enumeration could be completed only in some parts.

2.2.2. Exhibition of "A" and "B" Lists, was to have been done in the month of November, 1988. Although the delay caused at the commencement of the revision by the Provincial Councils Elections could be recovered, yet the

commencement of the Presidential Election work in October, 1988, placed it beyond continuation in the later part. As a result, the exhibition of "A" and "B" Lists which are now nearly complete, is due to be done in the month of January, 1989. This will be undertaken in spite of the commitments of the Parliamentary General Election—1989.

2.2.3. Preparation of analytical data on the Lists have therefore got delayed. Consequent to this delay analysis of details on the participation of Political Parties in the field enumeration, the submission of National Identity Cards by Electors, the classification of households by numbers of names, response on the seventh column, and inquiries into special complaints on repetition of names, have all been held back until after the Parliamentary General Election in February, 1989.

3. Extracts of Electoral Registers

There is a continuous demand for the issue of Extracts of Electoral Registers. Though the demand for Extracts for school admissions has now faded out, the demand from applicants for jobs, has continued to increase. As a result of the irregularity in attendance at Kachcheries in the North and the East a large number of applicants flocked to the Head Office to obtain these Extracts directly from Colombo. In spite of the pressure of work in connection with the Presidential Election, three to four hundred applicants poured into our District Offices on each day with applications for Extracts. It became so impossible to cope with the pressure of work, specially the demand from the Ministries of Education and Health that we had to issue an interim letter until the Extract was issued, after elections.

4. General Elections to the Provincial Councils—1988

4.1. A new Chapter XVII (A) was incorporated into the Constitution by the Thirteenth Amendment certified on 14th November, 1987. This Chapter made provision for the establishment of Provincial Councils in Sri Lanka. According to the Eighth Schedule, Nine Provincial Councils were created for the nine Provinces. Ninth Schedule provided for three lists of subjects and functions, namely the Provincial Council List, the Reserved List and the Concurrent List. Provincial Councils Act, No. 42 of 1987 provided for the names, membership, conduct of meetings etc. of the Councils. The Provincial Councils Elections. Act, No. 2 of 1988 provided for the procedure of elections for these Councils. Election is based on Proportional Representation. Election for each Council was a one-day Poll but the Nominations and return of Candidates are based on individual Districts. There is provision for the award of bonus seats on a Provincial basis.

4.2. The Directive of His Excellency the President under section 10, was issued in respect of the Nine Provinces on February 12th, 1988. Subsequently under the Public Security Ordinance, Nominations were postponed in respect of Western, Central, Southern, Northern and Eastern Provinces vide Gazette Extraordinary No. 495/6 of 29.01.1988. Nominations were received in respect of the four Councils of North-Central, North-Western, Uva and Sabaragamuwa

between March 2nd, 1988 and March 9th, 1988. The Poll was conducted on 28th April, 1988. Nominations in respect of the Western, Central and Southern Provinces were received between April 14th, 1988 and April 21st, 1988 and the election was fixed for June 2nd, 1988. Subsequently, the date of Poll for the Southern Province was postponed to June 9th, 1988.

- 4.3. Conduct of these Elections in some Districts was affected by violence. This was evident in some Districts of the Southern Province, more than in other areas. The rate of Poll was maintained between 42.57% and 7.97% amongst the Districts. Lowest recorded rate was in Hambantota District with 7.97%.
- 4.4. His Excellency the President issued an Order under section 37(1) of the Provincial Councils Act, which merged the two Provinces of the Northern and Eastern areas into one Provincial Council. Directive of His Excellency the President under section 10 for the conduct of the election was in respect of the merged Council. Nominations were received between October 3rd, 1988 and October 10th, 1988. The five Districts of the Northern Province returned uncontested two Political Parties, while in the Eastern Province three Political Parties contested in two Districts and only two Parties entered the contest in the other District.
- 4.5. The Election in the three Districts of the Eastern Province was conducted on 19.11.1988, just 10 days after the Presidential Nominations were received. These Kachcheries were non-functional at these elections. The entire staff to conduct the Poll and Counts were supplied from Colombo. Supply and packing of all material requirements for the election were handled in Colombo. The conduct of the Poll under such peculiar conditions, cast a very heavy burden on the Staff in Colombo, who in any event were fully occupied with the arrangements for the Presidential Election. Please see Table XIV for the Results of the Elections to the Provincial Councils.

5. Presidential Election—1988

- 5.1. Order under section 2 of the Presidential Elections Act was issued on 21st October, 1988. Nominations were scheduled to be received between 9.00 a.m. to 11.00 a.m. on November 10th, 1988 at the Town Hall of the Colombo Municipal Council. Deposits closed at 12 noon on 9th November, 1988. At the close of Nominations the following three Candidates had entered the contest—

Mr. Oswin Abeygunasekera	..	S.L.M.P.	Symbol	Eye
Mrs. Sirimavo Bandaranaike	..	S.L.F.P.	Symbol	Hand
Mr. R. Premadasa	..	U.N.P.	Symbol	Elephant

- 5.2. The Poll at this election was held on December 19th, 1988, in spite of wide speculation that due to the growing incidents of violence the Poll would not be conducted. From the date of Nominations to the date of Poll, not more than four out of the 25 Kachcheries functioned in the normal manner. Some of them worked in spells of partial or total closure. In some of the Districts there was total power failure. Transport system collapsed in many Districts. District

administration in three Districts were taken over by Military Co-ordinating Officers. Finally with a vast array of last minute adjustments, the Poll was conducted in 8,022 Polling Stations out of a total of 8,072 Polling Stations. In respect of 50 Polling Stations in Moneragala District, there was total obstruction to the conduct of the Poll. One Polling Station had to be abandoned due to continuous attack. Two officers on duty died of gun-shot injuries and blasts along with two drivers at this election. Several Police and Security men also died consequent to attacks.

5.3. The total polled was 55.32% out of 9,374,880 electors of the country. The rate of Poll in the Districts varied between 79.96% in Nuwara Eliya District to 17.01% in Moneragala District.

5.4. Counting of votes took place at 295 Centres mostly around the District Kachcheries. The two counts of Bibile and Sruwila Polling Divisions could not commence until next morning because 3 to 4 ballot boxes of these areas had, to be air-lifted to the Counting Centres only on the morning of December 20th 1988. Except these two Centres the Counts were completed in all other areas by late morning on 20th December. Release of results after computer entries may have taken an extra-time.

5.5. The Centre for the Declaration of Results established at the Town Hall of the Colombo Municipal Council received the District results from 9.30 p.m. on 19th December to 4.43 p.m. on 20th December, 1988. A group of Senior Public Servants assisted in the collection of Results. The CINTEC helped the Commissioner of Elections with the computation of results at this Centre. The number of valid votes received by each Candidate is given below—

Mr. R. Premadasa	..	U.N.P.	..	2,569,199
Mrs. Sirimavo Bandaranaike	..	S.L.F.P.	..	2,289,860
Mr. Oswin Abeygunasekera	..	S.L.M.P.	..	235,719
No. of Valid Votes	..		..	5,094,778
No. of Rejected Votes	..		..	91,445
Total polled	..		..	5,186,223

5.6. In view of the failure to poll in some areas the Commissioner of Elections invited the Agents of the three Candidates to meet at 3.30 p.m. on 20th December, 1988 at the Town Hall of the Colombo Municipal Council. Mr. Ranjan Wijeratne of the United National Party and Dr. Mackie Ratwatte of the Sri Lanka Freedom Party were present. Mr. Y. P. de Silva had not arrived at 3.30 p.m. The Commissioner of Elections gave details of the number of votes received by each Candidate other than in respect of Sruwila Polling Division which was yet to come and the number of registered voters in the areas that failed to poll. He explained that the number that would have polled in these areas could not make any difference to the inter-relationship of the Candidates. The two Agents present at the meeting accepted this position. The Commissioner of Elections informed them that he would announce the polls and decide

not to re-poll in these areas because it would not make any difference to the result and that he would proceed to declare the result. Mr. Y. P. de Silva arrived shortly thereafter and he was briefed with these details. He agreed that there would not be any difference to the inter-relationship of the Candidates. Meanwhile by 4.43 p.m. the result of Seruwila Polling Division had arrived and it was immediately entered in the final count of votes.

5.7. Declaration under Section 56

At this stage around 5.38 p.m. the Commissioner of Elections was ready to announce the results live on the Radio and the Rupavahini. First of all he thanked the Staff, Police, Security Forces, Candidates and their Agents and the voters who inspite of such trying circumstances had co-operated in concluding the Election. Then he explained the discussion with Agents of Candidates on the annulment of Poll and the background in which he decided to declare the Results. On the basis of these figures, the Commissioner made the following declaration of Result at 5.38 p.m. on December 20th, 1988 and declared the Hon. R. Premadasa, Prime Minister in office and Candidate of the United National Party, duly elected President under Section 56 of the Presidential Elections Act, No. 15 of 1981 at the election held on December 19th, 1988.

“Results of the Presidential Election held on 19th December, 1988—

2. Mrs. Sirimavo Bandaranaike	..	Sri Lanka Freedom Party	..	2,289,860
3. Mr. Oswin Abeygunasekera	..	Sri Lanka Mahajana Party	..	235,719
Number of Valid Votes	..		..	5,094,778
Number of Valid Votes equal to one-half	..		..	2,547,389
Candidate who polled more than one-half of this number of Valid Votes—Mr. R. Premadasa				
Number of Valid Votes received by that Candidate over and above such one-half of the Valid Votes	..		..	21,810

Accordingly, I hereby declare Mr. Ranasinghe Premadasa, who has obtained 21,810 more valid votes than 2,547,389 which amounts to one-half of the number of valid votes and thereby receiving 50.43% of the valid votes cast at this election held on 19th December, 1988, duly elected to the Office of President of the Democratic Socialist Republic of Sri Lanka in terms of section 56 of the Presidential Elections Act, No. 15 of 1981.”

R. K. CHANDRANANDA De SILVA,
Commissioner of Elections.

Colombo,
20th, December 1988.

6. Recognition of Political Parties

6.1. Applications were invited under section 7 of the Parliamentary Elections Act by way of a Notice published in Newspapers on June 7th, 1988. Nine (9) Applications were received of which the following were recognised :—

Eelam People's Revolutionary Liberation Front	..	Flower
The Liberal Party	..	Book
Sri Lanka Muslim Congress	..	Tree
United Socialist Alliance	..	Clay Lamp

United Socialist Alliance is a new Party comprising of three Political Parties which are already recognised. They are the Lanka Sama Samaja Party, Communist Party of Sri Lanka and Sri Lanka Mahajana Party. The Nava Sama Samaja Party joined them as a Constituent Party later in the year.

6.2. Developments in the North and East consequent to the Indo-Sri Lanka Accord and the establishment of Provincial Councils led to a further expression of a desire on the part of some militant groups to enter the main stream of politics. In fact the elections to the Northern and Eastern Provinces Provincial Council were yet awaited. The participation of these groups as Political Parties in such an election was now denied, because the period for making applications has lapsed according to the Notice published on January 7th, 1988.

It was therefore decided to relax this time stipulation to permit new applications. With the Amendment Act, No. 29 of 1988 certified on 16th August, 1988, new applications could be entertained any day other than after the Notice of an election is issued until its conclusion or during a period of six months once an application is rejected.

6.3. In response to this relaxation, nineteen (19) applications were received just prior to the issue of Notice of the election to the Provincial Councils. Of these applications, the following were recognised :—

(1) Desha Vimukthi Janatha Party	..	Ear of Paddy
(2) Eelam National Democratic Liberation Front	..	Bull
(3) Muslim United Liberation Front	..	Horse
(4) Democratic People's Liberation Front	..	Anchor
(5) Thamil Eelam Liberation Organization	..	Ship

6.4. Subsequently the Revolutionary Communist League has made an application under Article 126 on fundamental rights alleging that they were discriminated in the matter of recognition, when compared with the five Parties that were given recognition. The application is now before the Supreme Court.

7. Vacancies in Parliament

7.1. On 01.01.1988 the following Parliamentary Electoral Districts remained vacant and they continue to be so until the Dissolution of the Parliament on 20th December, 1988. Elections to these Districts were postponed under the Public Security Ordinance.

84—Trincomalee	88—Jaffna
92—Vavuniya	89—Kilinochchi
82—Manipay	90—Mannar
79—Kayts	91—Mullaitivu
80—Vadukkodai	98—Paddiruppu
81—Kankesanthurai	85—Point Pedro
84—Ududipiddy	83—Kopay
86—Chavakachcheri	25—Homagama
87—Nallur	

7.2. During the year under review, vacancies occurred in the Electoral Districts of Rambukkana, Udunuwara, Gampola, Hiniduma, Kurunegala, Ruwanwella, Habaraduwa, Beruwela, Anuradhapura East, Bulathsinhala, Kuliapitiya, Seruwila, Yapahuwa, Katugampola, Welimada, Kekirawa and Ratnapura.

7.3. Five of these vacancies were filled through Parliamentary By-Elections held on 14.07.88 and 29.09.88 respectively. Please see Table IV for detailed results. The rate of Poll in Electoral District No. 123 Horowpota with a Poll of 13.82% is the lowest on record for a Parliamentary-By-Election. Apart from its low poll, it will also go down in history as the last Parliamentary-By-Election in this country.

7.4. The other vacancies were filled by nominations under Article 161(d) (iii). Please see Table V for details.

7.5. Filling of the vacancy in Electoral District No. 32 Bulathsinhala created another situation. The Secretary-General of Parliament informed the Commissioner of Elections that a vacancy had occurred consequent to the resignation of the Member concerned on 22nd September, 1988. The Commissioner of Elections made simultaneous inquiries from the two Recognised Political Parties to which he could claim to have most proximately belonged, regarding his Membership in the respective Political Parties. On a determination made by the Commissioner of Elections following the 8 year old precedent in the Department, subsequent to CA/Application No. 596/80 (Pottuvil Case), noticed one such Party to make a nomination to fill the vacancy. The other Political Party was kept informed about this decision. Two days later, he made the appointment to fill this vacancy, and informed the Secretary-General of Parliament. There was no attempt made by anyone to challenge this determination of the Commissioner of Elections and canvass it in a Court of Law as it then happened in CA. Application No. 596/80 (Pottuvil Case) in 1980. On the same day that

this appointment was conveyed to the Secretary-General, there had been a Resolution of the Parliament which treated the Member concerned as having "ceased to be a Member from the date of the Resolution," thereby a vacancy occurring in the same seat. This in effect meant that a seat in Parliament which by Secretary-General's own letter of 22nd September, 1988 had fallen vacant consequent to a resignation of a Member, was again treated as having become vacant upon the Member, being treated as having "ceased to be a Member." This created a deadlock.

7.6. The Commissioner of Elections is the authority vested with the responsibility to make a determination under Article 161 (d) (iii) on a matter of this nature. In order to be of assistance to resolve this deadlock, the Attorney-General requested the Commissioner of Elections for details of this correspondence and background information. Details of correspondence and the 8 year old precedent followed by the Department were furnished. But before these details could reach him, the Attorney-General informed the Parliament that the decision of the Commissioner of Elections is "bad in law."

7.7. When an official is vested with certain powers under the Constitution or any law, to make a determination, unless otherwise provided for, any determination can be rescinded, altered or amended only by a Competent Court of Law. Short of an action to canvass such decision in a Court of Law, it is deemed to be incorrect on the part of anyone to make a pronouncement on such decision and it is still more incorrect to consider that any such pronouncement has any conclusive and binding effect.

8. Dissolution of Parliament

8.1. His Excellency the President dissolved the Parliament on 20th December 1988. At the time of dissolution the results of the Presidential Election 1988 held on 19th December, 1988, were yet been received. There were 18 vacancies in the Parliament at the time of the Dissolution.

8.2. Proclamation of Dissolution specified, December 30th, 1988 to January 6th, 1989 as the period of Nomination and February 15th, 1989 as the date of the Parliamentary Poll. The new Parliament is scheduled to meet on 09th March, 1989.

8.3. Consequent to the Proclamation, the elections machinery stepped on to the Parliamentary General Election, while yet in the process of collecting the results of the Presidential Election held on December 19th, 1988.

9. Parliamentary General Election—15.02.1989

9.1. Exhibition of Electoral Registers for the benefit of displaced voters commenced with the issue of the Proclamation. A period of one week was considered inadequate and by a Public Notice it has now been extended to 15th January, 1989.

9.2. Exhibition of Electoral Registers for the benefit of postal voters commenced on 27th and is due to close on January 3rd, 1989.

9.3. Conference of Returning Officers and Assistant Commissioners of Elections was held on 27th December, 1988 to discuss arrangements for the Parliamentary General Election.

9.4. Arrangements for the receipt of Nominations have been finalised in 22 District Kachcheries. Nomination Centres were open from December 30th, 1988.

10. Referendum in the Eastern Province

Under section 37 of the Provincial Councils Act, No.42 of 1987 the Referendum in the Eastern Province to make a determination on the merger between the Northern and Eastern Provinces, has been fixed for December 31st, 1988 vide an Order issued by His Excellency the President in *Gazette Extraordinary No. 538/8* dated 28.12.88. By a subsequent Order issued under Section 37(2) (b) this date has now been postponed to July 5th, 1989, vide *Gazette Extraordinary No. 538/9* of 29.12.1988.

11. Vacancies in Provincial Councils

Provincial Councils were established with the elections held to the Provinces of the North-Central, North-Western, Uva and Sabaragamuwa on 28th April, 1988, Western and Central on 2nd June, 1988, Southern on 9th June, 1988 and the merged Northern and Eastern Provinces on 19th November, 1988. Vacancies occurred in these Councils both due to deaths and resignations. Upto the end of 1988, 05 vacancies have occurred consequent to deaths of Members and 05 vacancies have occurred consequent to resignations. Please see Table VI for details.
