

ADMINISTRATION REPORT OF THE COMMISSIONER OF ELECTIONS FOR THE YEAR 2001

1. Introduction

- 1.1 By the 17th Amendment to the Constitution certified on 03.10.2001, the way has been paved for the constitution of an Election Commission, changing the structure and the powers of the Department of Elections which has been in existence for more than fifty years bearing prime responsibility for the Annual Revision of Registers and conducting Elections and Referenda held in compliance with various election laws under the Commissioner of Elections appointed by the President in terms of the Article 103 of the Constitution of the Democratic Socialist Republic of Sri Lanka.
- 1.2 In terms of the Article 104 B (3) of the Constitution of the Democratic Socialist Republic of Sri Lanka, a report of activities for the exercise, performance, discharge of powers, duties and functions for each calendar year should be forwarded to the Parliament. As such Election Commission has not been constituted, in terms of the Section 27 (2) of the Amendment Act to the constitution, the person holding office as the Commissioner of Elections on the day immediately preceding the date of the commencement of the Act, has to exercise and perform the powers and functions of the office of the Commissioner of Elections as were vested in him immediately prior to the commencement of this Act and of the Election Commission. Accordingly, for the first time this report is submitted by the Commissioner of Elections to the Parliament of Sri Lanka.

3. Registration of Voters Act No. 44 of 1980

3.1 Revision of Electoral Registers -2000

- 3.1.1 Enumeration of Electors commenced on 01.06.2000. On completion of enumeration and exhibition of "A" and "B" lists during the period between 30.11.2000 and 27.12.2000, 24,482 claims and 795 objections were lodged with the Registering Officers. Of them 13,896 claims were allowed and 187 objections upheld.
- 3.1.2 Door to door enumeration of electors could not be conducted in the Electoral District of Jaffna and in the Polling Division of Mullaitivu, owing to security concerns and administrative difficulties. The displacement of persons in these areas with large numbers being dislodged from their permanent residences and located elsewhere in

cleared areas, too prevented enumerating electors in such areas. Further, in a limited number of uncleared areas in the Administrative Districts of Mannar, Vavuniya and Trincomalee too, was difficult to engage door to door enumeration was difficult. A special procedure was adopted this year too as in the case of the previous years, to update the Electoral Registers in the Electoral District of Jaffna, which was the main Electoral District where door to door enumeration was not possible. Accordingly, particulars regarding deceased persons were obtained from the Grama Niladharis and action was taken to delete their names from the Electoral Registers under revision. Opportunity was provided for those who attained the age of 18 years and who otherwise became eligible to vote, to submit their claims for registration as electors. Furthermore, facilities were provided to retain in the Electoral Registers of their original places of residence the names of those persons displaced from the North East areas and were resident in refugee camps in the Puttalam District, in the Electoral Registers of their original places of residence. Steps were also taken to keep the people of the relevant areas informed of these facilities that were provided for them. Accordingly, when preparing the Electoral Register for the year 2000, it was possible to delete the names of 8,937 deceased persons from the new Electoral Register and to include names of 20,063 persons who qualified afresh in the Register. Steps were taken to include the names of 2,029 persons residing in the refugee camps in Puttalam District in the Electoral Registers of the Districts of Jaffna and the Vanni.

3.2 Computerizing the Electoral Register

3.2.1 The Electorate Register of District of Colombo for the year 2000 was fully computerised. Steps have been taken to store data in computer discs and make them available for sale.

3.3 Revision of Electoral Registers-2001

3.3.1 The enumeration of electors commenced on 01.06.2001 Grama Niladharis and Special Enumerators were deployed as enumerators. Special Enumerators were deployed only in the Colombo and Dehiwala-Mount Lavinia Municipal Council areas. The number of such enumerators was 83.

3.3.2 This year too as in the case of the previous years, door to door enumeration of electors was not possible in the Electoral District of Jaffna, owing to the unsatisfactory security situation. Hence, opportunity was provided for those who qualified to vote by virtue of having reached the age of majority, to have their names freshly recorded in the electoral register. For this purpose during the period of revision of electoral registers, steps were taken to distribute the relevant forms through the Divisional Secretariats and Grama Niladharis, to submit the required information. Steps have been taken to delete the names of deceased persons from the current register after obtaining reports in this regard from the Grama Niladharis.

3.3.3 Display of Lists "A" and "B"

Owing to the Referendum scheduled to have been held and the Parliamentary Elections held, during the year under review, the Department was constrained to delay the preparation of the "A" and "B" lists relevant to the Revision of Electoral Registers. These lists will be displayed from 01.01.2002, to 28.01.2002.

3.3.4 Participation of Recognised Political Parties

16,621 representatives had been appointed by 07 Recognized Political Parties to serve as observers of the process of enumeration of electors. Please see Table No. IV for details of the number of representatives appointed by the Recognized Political Parties to so serve in the Revision of Electoral Registers during the year under review.

3.3.5 National Identity Cards

67.60% of the total number of electors registered during the year 2000 has entered their National Identity Card (NIC) Numbers in the BC Forms which indicate a downward trend against the previous year (70.8%). Steps will be taken to record the NIC numbers submitted by the electors, in the Electoral Register for 2001. Such steps are taken because the information obtained each year is useful for the electoral process as well as for the purpose of enumeration. An increase is anticipated in the number of those who provide this information in future.

3.3.6 Strength of the Electorate

The number of electors registered in the year 2000 was 12,428,762 which reflects an increase of 3,57,700 (2.96%) over the previous year. Of the 22 Electoral Districts it is Gampaha that reflected the lowest such increase, i.e. 0.38%. Growth rate in the Electoral District of Polonnaruwa evinced the highest such increase, ie. 4.79%. Please see Table No. III for comparative figures of electors from 1991-2000.

3.3.7 Performance of Enumerators

While the total number of enumerators engaged in the year 2001 was 13,241 83 of whom were Special Enumerators. 87.20% of the total number of enumerators successfully completed the revision of registers within the stipulated period of time.

4. Disqualification from voting

- 4.1 During the year 2001 action was taken to delete from the Electoral registers the names of 6 persons reported by the Courts of Law as having been convicted of bribery and of election offences during the year 2001. For details please see Table XVI.

5. Extracts from Electoral Registers

- 5.1 Since Government Institutions as well as individuals are inclined to use extracts from Electoral Registers as proof of residence of individuals, the Department has had to face serious problems in responding to this demand. It has become patently clear that the obligation to issue these extracts has been and obstacle in fulfilling the duties devolved upon officials to conclude the Annual Revision of Electoral Registers within the periods of time stipulated by statute. Therefore steps were taken as follows in respect of applications for extracts from Electoral Registers.

- (a) Issue of extracts only from the current Electoral Register so that there is no strain upon the work involved in the Annual Revision of Electoral Registers and during the conduct of an election.
- (b) Provision of opportunity for institutions that require particulars of registration in previous years to peruse the Electoral Registers, with the prior approval of the Commissioner of Elections, in order to obtain such particulars in respect of a large number of individuals at one given time.
- (c) Notifying the above to Secretaries of ministries and to Chief Secretaries of Provincial Councils.

6. Order under Article 98(8) of the Constitution of the Democratic Socialist Republic of Sri Lanka

- 6.1 The order in terms of the Article 98 (8) of the Constitution was Published in Gazette Extraordinary No. 1193/28 of 20.07.2001, details thereof are at Table No. XIV. comparative details from 1991-2001 are at Table No. XV.

- 8.1 In terms of the Proclamation made by Her Excellency the President under Section 2 of the Referendum Act No. 7 of 1981 and published in Gazette Extraordinary No. 1192/16 of 10.07.2001. It was stipulated that a Referendum be conducted on August 21st 2001 on the following proposal. "**Is a new Constitution as a matter of national importance and necessity needed for the country?"**
- 8.2 Accordingly, the Department of Elections made necessary arrangements to conduct a Referendum.
- 8.3 By order published in Gazette Extraordinary No. 1196/18 of 07.08.2001, this Referendum was rescheduled for 18.10.2001.
- 8.4 Owing to the change in the date of the referendum in this manner it became necessary to amend the programme for the organization to take the poll.
- 8.5 The Electoral Register that had to be used in respect of this Referendum was that of the year 2000. Action to dispatch official poll cards to 12,428,762 registered electors commenced on 07.08.2001. While the period from 10.07.2001, to 20.07.2001 was stipulated to submit applications to vote by post, the deadline was extended to 25.07.2001 and 1,32,205 out of the applications so proffered, were accepted. Returning officers issued ballot papers to those eligible postal voters on 02.08.2001.
- 8.6 It is in the midst of an array of inconveniences that the Department of elections had, quite unexpectedly, to make necessary arrangements to conduct a Referendum. By postponing the Referendum the Department and the Returning Officers were faced with various difficulties. Steps were taken to recall the packets of postal ballot papers and official poll cards, which were already issued. The Referendum which was on schedule for 18.10.2001, was rescinded by order published in Gazette Extra Ordinary No. 1199/30 dated 02.09.2001 and activities related to the conduct of the Referendum were terminated.
- 8.7 A sum of Rs. 97,859,640 was spent on printing work, printing of ballot papers, and other miscellaneous items of work in respect of the Referendum that was rescinded.

9. Parliamentary General Election 05.12.2001

- 9.1 The Eleventh Parliament was dissolved on 10.10.2001 in term of the Proclamation made by Her Excellency the President Published in Gazette Extraordinary No. 1205/12 dated 10.10.2001. It stipulated that nominations be called from 20.10.2001 up to 12.00 noon on 27.10.2001 and the Election be held on 05.12.2001.
- 9.2 The number of electors on Electoral Register for the year 2000, which was used for the election under reference was 12,428,762.
- 9.3 After certifying the Electoral Register for the year 2000 the number of Members of Parliament to be elected for each Electoral District was published by Gazette Notification No. 1193/28 dated 20.07.2001 in terms of Article 98(8) of the Constitution. The numbers due to be elected for each Electoral District at the General Election held on 05.12.2001 was in compliance with the above mentioned Gazette Notification.
- 9.4 Twenty-six (26) Recognized Political Parties and 120 Independent Groups fielded 3,196 and 1,414 candidates respectively, to contest this election in the 22 Electoral Districts. Three applications against the acceptance of Nominations submit by the Tamil United Liberation Front for Electoral District of Colombo and Eelam Peoples Democratic Party for Electoral District of Jaffna, one application against the rejection of nomination submitted by Muslim United Liberation Front for Electoral District of Gampaha Were lodged before the court of Appeal and all them were dismissed by the Court of Appeal confirming the decisions of relevant Returning Officers. For details please see table XXII.
- 9.5 In order to conduct the General Election, arrangements were made to set up 9,981 polling stations in the twenty-two Electoral Districts. The names of the Recognized Political Parties and of the Independent Groups, the names of their candidates, the numbers allocated to them and the locations of the polling stations in the Electoral Districts were

published in Gazette Extraordinary No. 1208/23 dated 03.11.2001, in terms of Section 24(1) of the Parliamentary Elections Act No. 1 of 1981. The list of names submitted by the Recognized Political Parties under Article 99(a) of the Constitution was published in Gazette Extraordinary NO. 1207/38 dated 27.10.2001. However, owing to the inability to set up 94 polling stations in certain areas of the Electoral Districts of Jaffna and the Vanni because of the prevailing security situation, elections were not held therein.

- 9.6 Out of 12,428,762 registered electors, 9,449,813 (76.03%) had exercised their vote. Voting varied from 31.14% in the District of Jaffna to 83.40% in the District of Ratnapura.

- 9.8 900 Counting Centres were set up in the offices of the District Returning Officers and in the buildings in the vicinity of the 22 Electoral Districts. While the counting of the postal votes commenced early in the evenings on 05.12.2001, it was possible to commence counting between 8.00 and 9.00 p.m. in most of the other Counting Centres. However, in polling stations where disruptive incidents were reported to have occurred the responsibility for examining the reports and taking decisions regarding the counting of votes devolved upon the commissioner of Elections. Hence the commencement of counting in those centres associated to such Counting Centres was very much delayed. Owing specifically to this reason, it became necessary to delay the counting of votes in certain Counting Centres in the District of Kandy until morning of 06.12.2001.
- 9.9 A centre was established in the Elections Secretariat to gather reports regarding the results of the election in the Electoral Districts, and to release the results to the media after examining them and ascertaining their accuracy. A team of Senior Staff Officers performed these functions. The results were made available to the media institutions and television stations through the Computer Service Centre of the Institute of Computer Technology of the University of Colombo. In addition, data was provided for the first time to the Internet Service Providers. (ISP).
- 9.10 The results of each Electoral District were worked out by the Returning Officers by computing the number of votes polled by the Political Parties and the Independent Groups and also the preferences indicated in favour of the candidates. While the results of the district of Kandy were announced last of all was very much delayed and it was possible to release them in the afternoon on 07.12.2001. The reasons for the delay was due to the disruptive incidents that, as stated earlier, occurred in some of the polling centres of this Electoral Districts.
- 9.11 Polls were declared null and void in 94 Polling stations in the Electoral Districts of Jaffna and the Vanni due to the prevailing security situation and in 40 polling stations in the Electoral Districts of Gampaha, Kandy, Matale, Kurunegala, Puttalam, and Polonnaruwa due to the disruptive incidents that occurred there on the day of the election. The Notifications in this regard were published in Gazette Extraordinary No. 1214/1 dated 10.12.2001, in terms of Section 48A(2) of the Parliamentary Elections Act No. 1 of 1981, In terms of a unanimous decision taken by all those present at a meeting of Secretaries of Political parties convened at 11.30 a.m. on 07.12.2001 a repoll was not held in these polling stations. Besides this, action was taken to dispense with the counting of 1,313 ballot papers in 25 polling stations in the Electoral District of Kandy, Gampaha, Hambantota, Kurunegala, Puttalam and Polonnaruwa, after identifying them by their serial numbers, as they had been obtained forcibly, marked and stuffed into the ballot boxes.
- 9.12 The notice under Section 62 of the Parliamentary Elections Act No. 1 of 1981 with the names of the Members of Parliament elected for each Electoral District, was published in Gazette Extraordinary No. 1214/2 dated 10.12.2001. 14. Amendments to Election Laws

- 14.1 The 17th Amendment to the Constitution, drafted during the latter half of the year 2001, after taking into consideration views and ideas submitted by Political Parties both represented and not represented in Parliament and by various civil society groups and subsequently passed in Parliament on 03.10.2001, may be described as a measure intended to further strengthen the democratic form of governance in this country.
- 14.2 One of the major changes included in this Amendment to the Constitution is to establish an Election Commission in place of the current position of Commissioner of Elections.
- 14.3 The Prime matters upon which this Amendment to the Constitution was founded were the enforcement of election laws, ensuring the independence of the staff performing election duties, providing opportunity to deploy the Police and the Armed Forces in preventing the use of public property for election work by Political Parties or Independent Groups and adopting procedures to remove obstacles, if any, caused by media institutions to the conduct of free and fair elections.
- 14.4 In terms of Section 27(2) of the Seventeenth Amendment to the Constitution, the incumbent Commissioner of Elections shall exercise and perform the powers and functions of the Election Commission in addition to those of the Commissioner of Elections, until the Election Commission is constituted. Owing to this Amendment, which was passed a few days prior to fixing the date for the election held on 05.12.2001, many Political Parties, Independent Groups and various organizations remained vigilant as to how far these new laws would be implemented during the election. Various parties expressed different views as to the ability of the Commissioner of Elections to exercise these new powers.
- 14.5 It is clearly stated in this Amendment to the Constitution that it is incumbent upon all state authorities to extend co-operation to the Commissioner in the steps taken to implement the elections laws as well as to enforce them. It is pertinent to make specific mention of the fact that State authorities do not refer exclusively to public servants. However, it became patently evident that public servants as well as other state authorities who for many years of the recent past, especially during election time, succumbed to undue pressure, did ignore the new provisions of the 17th Amendment, which is the supreme law of the Republic instead of extending co-operation to the Commissioner of Elections to enforce the law.

14.6 Further, since the date for the recent elections was fixed no sooner the Constitutional Amendment became law, the Commissioner of Elections had scant opportunity to set in place a special mechanism to make it compulsory to have the powers in vested in him exercised. It is possibly this that led certain officials concerned to act according to their own behest. However, it is my conviction that, had the authorities concerned responded positively to the need to enforce the new laws, there was opportunity to strengthen the election process by rendering it possible to achieve at least to some extent the results envisaged by these new amendments to the law.

15. Assets

15.1 Buildings

- 15.1.1 The construction of the two-storied office for the Colombo District Elections Office at a cost of Rupees Forty Nine Million was completed during the year under review Colombo and Dehiwela-Mount Lavinia Elections Office, which was housed in rented premises, was shifted on 14.05.2001 to the new building. Along with this, duties in respect of the Moratuwa and Kotte Municipal areas which had been devolved upon the office, which was located at No. 32, Glen Aber Place, too were transferred to this office and as designated Colombo District Municipal Area Office. By this means it had been possible to save a vast sum of money spent by way of monthly rent.
- 15.1.2 The office at Glen Aber Place which handled the work of rest of the area in the Colombo District too was shifted to the second floor of the new building on 28.12.2001. Accordingly, all work pertaining to the entire District of Colombo has been brought under one roof which would be a great convenience to the general public.

15.2 Vehicles

- 15.2.1 During the year under review no vehicles were purchased. One double-cab belonging to the pool of vehicles of the Department, which was involved in a motor accident and was beyond economic repair, was sold for a sum of Rs. 1,76,200.10 after calling for quotations.

Nominations

The Department of Elections had only 39 days to conduct the elections after the close of nominations. Due to the time constraint, the preparation of Single Lists of names of contestants to whom numbers would be assigned and the printing of ballot papers for 22 electoral districts were completed on a very tight schedule.

Nominations were received during the stipulated period and ended at 12.00 noon on 27.10.2001. 26 recognised Political Parties and 120 Independent Groups were submitted valid nominations 3,169 candidated from the recognised Political Parties and 14,141 candidates from the Independent Groups entered into the fray. Acceptance of Nominations

submitted by Eelam People's Democratic Party in respect of Colombo District the Tamil United Liberation Front in respect of Jaffna District, and the rejections of Nominations submitted by Muslim United Liberation Front in respect of Gampaha District were challenged and four application were filed in the Court of Appeal. The Court of Appeal upheld the decisions of the Returning Officers and dismissed all applications. Names of contesting Political Parties and Independent Groups, their Symbols, names of the candidates and details of Polling Stations were published in the Extra Ordinary Gazette No. 1208/23 dated 03.11.2001 by me under Section 24 (1) of the parliamentary Elections Act No. 1 of 1981.

Electoral Register

The electoral register in operation on the date of publication of the proclamation was the year 2000 register certified on May 31 st, 2001 having a total electorate of 12,428,762 electors. Copies of the Electoral Registers were prepared to cater to the requirements of postal voters, Political Parties contesting the election etc. Since they were prepared well in advance, they were exhibited to facilitate the postal voter to peruse their details.

Postal Votes

A sufficient number of copies were supplied to the Army, Navy, Air Force and the Police. In view of the delay in exhibition of these registers and the number of applications received during the stipulated period, the closing date of applications was extended after assessing the total number of applications received. The total number of postal votes applications received was 2,78,727 and out of this 2,42,642, applications were accepted. Postal ballots were issued on November 12 th 2001 and fixed November 20 th and 21 th for marking of votes. Further police protection was provided to insecure polling places.

In response to requests and allegations made by the contesting political parties and independent groups AROO were sent to the venues of marking postal votes to supervise the process of postal voting as a measure to prevent any malpractices.

Displaced Electors

Under Section 127 (b) (1) of the Parliamentary Elections Act, displaced electors of Electoral Districts No. 10- Jaffna, No. 11 - Vanni, No. 12 Batticaloa and No. 14 - Trincomalee were provided with facility to vote at an alternative polling station closer to their present residence. A total number of 26,718 voters enjoyed this facility. Further the voters who were displaced within Jaffna peninsula were also provided facilities to vote at an alternative polling station within the district.

Poll Cards

A total of 9,449,813 voters cast their vote at 9981 polling stations throughout the country. All these voters were issued with an official poll card which was designed to achieve two objectives viz. - to enable the voter to identify one's polling station readily and to enable the election staff to locate the name and the serial number of the voter in the electoral register. These poll cards were printed in different colours in respect of each district. The reasons behind the introduction of this colour system was to counteract the circulation of fraudulent poll cards at this election. During the last years election complaints were received about the circulation of fraudulent poll cards from the political parties and as well as from members of the public. Therefore the Department was considering the ways and means to prevent this type of incidents in the future elections as well. It was in this background stickers were introduced to the poll cards during the last Parliamentary Elections. This year poll cards were printed in different colours in respect of each District.

Political Broadcast

All political parties and independent groups contesting the elections were permitted to make political broadcasts during specified times over the state owned Television and the Radio. Any party contesting a single electorate was allocated 30 minutes, those contesting up to a 14 electorate 60 minutes, and those contesting more than 14 electorates 90 minutes of air time consisting 360 time slots of 15 minutes each. They were accommodated from November 04 th to December, 1 st 2001. Free broadcasting facility was provided in terms of 126 of the Parliamentary Election Act No. 1 of 1981 as amended by Act No. 15 of 1988. The political campaign beginning from the close of Nominations lasted up to midnight on December 2 nd . Further I appreciate that MTV television Company has offered political broadcast free of charge for three minutes in all three languages to all contesting political parties during the prime time in the evening.

Election Violence

During the election period complaints were received by the Inspector General of Police as well as by me and all the complaints received at my office immediately referred to the Inspector General of Police and other authorities concerned to take appropriate action immediately. From the date of nomination up to the declaration of results there were a total of 2330 incidents of violence with some 46 murders and it was the worst election campaign and the whole process of democratic election might be destroyed especially if the major parties did not take urgent corrective action to curb violence and malpractice during the election. My fervent hope that the Inspector General of Police will take legal action against the persons concerned in respect of the above mentioned election violence.

This is the first experience in the history where election offices in Anuradhapura and Puttalam were intimidated and assaulted by the supporters of a certain political party.

Consultation with Contestants

Non Statutory Consultative Committee Meeting with representatives of all contesting parties and groups had on November 2nd 2001 in a manner similar to the system adopted since 1988. It was agreed to organise consultation at two levels i.e. National level with the Commissioner of Elections and at the electoral level with the Returning Officers. At the first meeting a mandate sought from the participants by the Commissioner of Elections to invite international observers was approved unanimously. Thereafter allocation of air time for Political Broadcast over Sri Lanka Broadcasting Corporation (SLBC) and Sri Lanka Rupavahini Corporation (SLRC) was done by drawing lots. After spending four hours for this purpose the meeting adjourned until 3.30 p.m. on November 9th 2001 and thereafter meetings were held regularly on every Friday. The last meeting was held on December 3rd 2001.

In order to conduct a free and fair election I had five Consultative Committee Meetings with the Secretaries of the contesting Political Parties Leaders of Independent Groups and with the Inspector General of Police and DIG Elections and taken necessary actions about the complaints and suggestions made at this meeting. Following this I also had meetings with all the Returning Officers and Assistant Commissioners of Elections twice and discussed about the arrangements and discussed about the problems faced in their districts and necessary instructions were given by me to all the Returning Officers and Assistant Commissioners of Elections.

The main issues brought for the discussion at these meetings were as follows.

Request to invite International Poll Observers

Polling Agent to be present at the time of marking of postal votes.

Appointment of Assistant Returning Officers to supervise the marking of postal votes.

Alternative voting facilities for displaced voters

Distribution and safe keeping of poll cards

Threat and forcible removal of poll cards in certain areas

Proposal to allow agents to follow the ballot boxes up to the counting centres

Request for permission to place stickers on sealed ballot boxes.

Display of posters, banners and placards

Apprehension arising from continued violence and intimidation in some areas.

Request for security for candidates.

Alleged incidents of thuggary intimidation and murder in some areas

The movement of unnumbered vehicles in certain areas.

Misuse of public resources and personnel

Non observation of guidelines and directions issued by the Commissioner under 17 th

Amendment to the Constitution by certain Government Departments and Corporations.

International Poll Observers

As done in the past elections I have invited the United Nations (UN) European Union (EU) International Foundation for Election System (IFES) Association of Asian Elections Authorities (AAEA) British Commonwealth Secretariat (CS) and the Indian Election Commission (IEC) to nominate Observers but only the European Union and the Indian Election Commission responded favourably and nominated fifty Observers from European Union and seven Observers from the Indian Election Commission. They were here during the election period and submitted their reports. These reports will be published separately.

The Terms of Reference given to these International Observers are as follows:

The Indian Election Commission Observers has submitted a collective report along with their individual reports and the European Commission Observers submitted an interim report to me before their departure on December 9th and informed their detail report will be sent to me after 2 weeks. Copies of their reports are attached herewith. Please see annexure "C" and "D".

National Poll Observers

The participation of Local Observer Groups was very evident during the past since 1988. Therefore I have allowed People's Action for Free and Fair Election (PAFFREL), Media for Free and fair Election (MFFE), Centre for Monitoring Election Violence (CMEV), Deria Foundation and the Organizers of Professional Association (OPA) to observe the election process in their own terms of reference the condition that their members or staff should not enter into any polling station counting centres and centres for Declaration of Results.

National Observers shed light on the issues related to the conduct of the election and more importantly contributed toward building institutions which strengthen democratic process. They were concerned about the wide spread intimidation and threats and also encouraged and supported voters to express their right by extending to attend at the polling station and also promoted efforts to prevent election related violence.

These groups observe wide range of election related violence and malpractices as follows.

- (a) Misuse of public resources namely vehicles and personnel
- (b) Shooting at or near polling stations
- (c) Attempts or forcible entry to polling stations
- (d) Failure of police to take preventive measures in connection with violence.
- (e) Use of SLTB buses for illicit transport of voters
- (f) Display of posters on SLTB buses
- (g) Unauthorise use of private vehicles to transport voters
- (h) Assault on polling agents
- (i) Forcible removal of polling agent
- (j) General intimidation prevail in certain areas
- (k) Forcible removal of official poll cards
- (l) Forcible stuffing of ballot papers
- (m) Contesting political parties and groups from the Northern and Eastern Provinces have made request to disarm a certain group who carry arms during the election campaign.

Implementation of the 17 th Amendment to the Constitution

In terms of Article 27 (2) of the 17 th Amendment to the Constitution powers of the Election Commission are vested on the incumbent Commissioner of Elections as such I exercise the powers in terms of Article 104 B (5) issued guidelines to all electronic media and print media on 19.10.2001 under Article 104 B (4) (a) directions were issued to all the Secretaries of the Ministries and Chief Secretaries of the Provincial Councils to prohibit the use of any movable or immovable property of the Public Corporation, Government Departments, Ministries and Provincial Councils for the purpose of promoting or preventing election of any candidate or any Political Party or Independent Group contesting at this election. Further paid advertisements were published in National Dailies in all three languages for the information of the public.

Further in terms of Article 104 C of the 17 Amendment to the Constitution and under section 127 A of the Parliamentary Elections Act No. 1 of 1981 as amended I have given necessary direction to the Inspector General of Police in respect of all security arrangements to enable me to conduct a free and fair election. In addition requested the Inspector General of Police and the Secretary of the Ministry of Public Administration to suspend all the transfers from the date of Proclamation of the election till the declaration of results.

There were complaints from the members of the public, political parties and NGOs that some of the Ministries, Departments and Corporations are violating the directions and guidelines issued by the Commissioner of Elections under the 17th Amendment to the Constitution. In this regard there are few FR Applications and Writ Applications filed by the NGOs and the Deputy Leader of the UNP. There is no provision in the 17th Amendment to enable the Commissioner to take Legal or disciplinary action against who defied his directions and guidelines. There were complaints from the Political Parties and NGOs that state resources are misused for the election campaign and state Electronic Media are not following the guidelines issued by the Commissioner and demanded a competent authority to be appointed by the Commissioner under 17th Amendment. But as an Act of Parliament in respect of powers and functions of the competent authority has not been enacted by the Parliament the Commissioner was held the view that merely appointing a competent authority would be a fruitless exercise However he strongly advised the SLRC and SLBC to strictly follow his guidelines and also adhere to the Section 126 of the Parliamentary Elections Act.

I strongly urge the legislators to provide legal provisions to give teeth to the 17th Amendment to the Constitution.

Conduct of the Poll

At this election poll was conducted from 7.00 a. m. to 4.00 p. m. on December 05th 2001. 9981 Polling stations equipped with necessary staff and other materials, an approximate total of 10000 Senior Presiding Officers, 15,000 Junior Presiding Officers, 60,000 Polling Clerks and about 10,000 minor employees were posted. Further 1500 Assistant Returning Officers were appointed for the purpose of field supervision during the poll.

The atmosphere of violence and intimidation prevailed in varying degrees in some of the districts. There were growing anxieties about the security to the voters as well the polling stations. This was discussed at the Consultative Committee Meetings on several occasions. Further delegations met the Commissioner in this regard. This included representatives from contesting political parties and some Civil Society Organisations.

Although police has taken all the necessary precautionary measures to curb violence and the police have deployed STF in the badly affected districts and also obtained the assistance of the security forces to maintain law and order to create a peaceful environment to conduct a free and fair election, but on the poll day violence were taken place in Kandy, Matale, Kurunegala, Puttalam, Anuradhapura and Hambantota Districts.

It is appreciated that with all these violence 76 percent of the voters of Sri Lanka cast their votes and this is the strength of our people in preserving the Democracy in Sri Lanka.

Counting of Votes and Declaration of Results

In view of the decision made by the Supreme Court in FR Application No. 412/1999 I have instructed all the Returning Officers to peruse the "Z" Cover, SPO's Journal, Report of the Field ARO and the Journal of the Senior Police Officer of the Polling Station and the complaint if any made by the Polling Agent before the commencement of the count and bring all the incidents taken place during the poll and obtained necessary instruction from me. Due to this new

arrangements Returning Officers were spent about 4 to 5 hours to peruse the documents before the count as such the count in all the districts were commenced after 10.00 p. m. at 900 counting centres.

After perusing the reports received from the Returning Officers, Commissioner of Elections has summoned the all Secretaries of the Political Parties and the Leaders to the Independent Groups for a mandatory consultation under Section 48 A of the Parliamentary Election Act No 01 of 1981 as amended by Act No. 35 of 1988 on 07.12.2001 at 11.30 a.m.

Order under Section 129

Order made by me under Section 129 of the Parliamentary Elections Act No. 1 of 1981 and published in the Government Extra Ordinary Gazette No 1213/11 dated 04.12.2001 is attached herewith in annexure E.

Final Results

The final results of the contested Political Parties and Independent Groups are given in Table XVIII.

Details in respect of the polling stations where poll annulled under Section 48 A of the Parliamentary Election Act and the details of the polling stations where stuffed ballot papers excluded from the count are attached in Annexure "A" & "B".

Recommendations

1. Introduction of Identity Card is a mandatory requirement for a voter to produce to the Senior Presiding Officer at the polling stations to obtain a ballot paper to cast his vote.
2. The prevailing postal voting system should be changed, instead the advance voting system should be introduced, in order to install polling stations at central location with election officers appointed by the Returning Officers.
3. The deposit amount of the independent groups should be increased from Rs. 2000 to 5000 per a candidate in order to eliminate non serious independent groups.
4. Reduce the number of Preferences allowed for a voter from three to one as past experience has been that only a very small percentage of voters marked more than one preference.
5. Direction given by Supreme Court in respect of annulment of poll in the SC/FR application No. 412/99 should be included under Section 48 A of the Parliamentary Elections Act No. 1 of 1981.
6. In respect of Political Broadcast any Electronic Media State or Private, if they violate or defy the provision in Section 126 of the Parliamentary Elections Act, (Election Commission) should be empowered to take legal action against the institution which is violating the Section 126 to enable the Court to give necessary punishments under the law.
7. To avoid absenteeism of the public officers who are deployed for election duties the Election Commission should be empowered to take disciplinary action directly without channel through the respective Heads of Department or Heads of the Service.

8. Any Government Institution failed to release their vehicles for election purpose to the Election Commission or Returning Officers, legal authority should be granted to the Commissioner of Elections and the Returning Officers to take over those vehicles without the consent of the Head of such Government Institution.
9. Any political party who are not contested any 3 consecutive National Election shall be liable for de-recognition.
10. All the constitutions of the recognised political parties should be treated as a public document, make it mandatory to send annual administration report to the Election Commission together with the minutes of the annual conventions held at stipulated intervals.
11. Appoint a Commission of inquiry as number of incidents related to election violence malpractices and misuse of public property were significantly high during this election
12. Considering the prevailing situation, I recommend that the contesting political parties and independent groups should follow a code of conduct. Please see Annexure II for proposed code of conduct.
