## **2.2 Revision of Electoral Registers – 2014**

- 2.2.1. Necessary steps were taken to publish a notice under the Section 12(1) of the Registration of Electors Act in the Government *Gazette* No. 1862/12 on 16.05.2014 and to publish a notice in Sinhala, Tamil and English in the newspapers on the same day in regard to the commencement of the enumeration of electors for the year 2014.
- 2.2.2. Until the year 2013, house to house enumeration of electors commenced on 1<sup>st</sup> of June every year. But as in the year 2013, in the year 2014 also steps were taken in the year 2014, to commence the enumeration in the mid of May 2014. However, as in the previous years 1<sup>st</sup> of June in the relevant year was considered as the qualifying date to register as an elector under the Registration of Electors Act No. 44 of 1980.
- 2.2.3. Necessary instructions regarding enumeration of electors in all electoral districts were issued to District Registering Officers on 11.03.2014 and the Commissioner of Elections informed the Secretaries of all the recognized political parties on the same day regarding the revision and the procedure for appointing their representatives.
- 2.2.4. Besides general public awareness programmes carried out through electronic and print media, steps were taken during the revision of electoral register, 2014, as in the year 2013, to implement various programmes at district level based on the “Voters’ day” on 1<sup>st</sup> of June. The main function in relation to the voters’ day of the year 2013 was held in Colombo while centralizing the Colombo District. However, in the year

2014 revision also, action was taken to carry out main functions including walks, street dramas and various other programmes as in the year 2013, in Nuwara Eliya, Kilinochchi, Puttalam, Matara and Ampara districts, and to implement general public awareness programmes in all other districts in concurrence to it. The Commissioner of Elections attended to the main function held in Nuwara Eliya District in relation to the voters' day and senior officers of the Elections Secretariat participated for the main functions held in Kilinochchi, Puttalam, Matara and Ampara Districts. District Registering Officers/ Government Agents and District Deputy/ Assistant Commissioners of Elections gave their maximum contribution to make the awareness programmes, held in all other districts including the afore mentioned districts, succeed.

- 2.2.5. More attention was paid as in the year 2013 to register the groups which acted as obstacles for the objective of inserting all qualified electors into the electoral register. Accordingly, instructions were given to all District Registering Officers/ Government Agents as well as to Deputy/ Assistant Commissioners of Elections to afford the priority to low income persons living in urban areas, people living in urban high rise apartments, people living in rented / lease houses, people migrating to urban areas in search of employment, Tamil speaking people who were serving in plantation industry and related jobs in Central, Uva and Sabaragamuwa Provinces and Colombo, Kalutara, Galle and Matara Districts, internally displaced persons living in other areas of the Island due to military operations and mentally sick persons who have been cured but continue to stay in Mental Hospitals due to non acceptance by their relatives.
- 2.2.6. Although certain complications in enumeration activities in the year 2014 was occurred due to the programme of Urban Development Authority to evict the slums in the Colombo District and replace them with flats, complications in relation to the registration of such persons could be solved according to the order given by the Court. On the agreement entered into by the residents of slums and the officers of the Urban Development Authority, the Court has ordered to insert the names of the slum dwellers to the electoral register although they were not reside at their residences, but until the day they would given homes at the same place where they lived. But confirmation of the registration of some slum dwellers could not be obtained due to the difficulties faced in obtaining new addresses of them and to the fact that slum dwellers in certain areas lived away from their homes after taking their compensation. Further, for the first time, names of 173 mentally sick persons who have been cured but continue to stay in the premises of the respective mental hospitals due to non acceptance by their relatives, were inserted to the electoral register.
- 2.2.7. In concurrence with the Voters' Day, door to door collection of enumeration forms in areas of selected Municipal Councils/ Urban Councils was conducted on 02.06.2014 by the enumerators as well as the

officers of the Elections Secretariat. According to the observations of District Deputy/ Assistant Commissioners of Elections in this connection, BC forms could be accepted from the real residents and especially attempts to insert names fraudulently to admit children to popular schools could also be minimized.

- 2.2.8. Instructions were given to implement a special programme under the personal supervision of each District / Deputy / Assistant Commissioner of Elections as in the year 2013, for registration of Tamil speaking persons serving in the plantation industry and other related jobs and were until then not registered as electors due to various reasons *viz.* non confirmation of date of birth, problems in relation with the citizenship, staying away from homes due to their careers and uninteresting about the registration as an elector. This programme with the participation of Superintendants of Estates, Plantation Community Facilitators and Grama Niladharis in estate areas was helped to insert the names of most of persons in the estates to the electoral register. A special programme at the district level was also launched during the claim period to insert the names of electors in estate areas who were unable to insert their names at the primary enumeration.
- 2.2.9. House to house enumeration of electors was conducted in the Northern Province by enumerators except for a limited area in 29 polling districts in 04 polling divisions of No. 10 Jaffna Electoral District and one polling division in Mannar district which belongs to No. 11 Vanni Electoral District, where displaced persons have not been resettled. Instructions were given to retain the names of the electors who could not be enumerated by door to door enumeration but appeared in the Previous *viz.* 2013 electoral register. Details of the polling divisions and polling districts in this regard are shown in **Table III**.
- 2.2.10. It is previously planned to certify the 2014 electoral register on 31<sup>st</sup> December 2014 after completing the revision during the month of December 2014, which was commenced on 16<sup>th</sup> May 2014 at the field level. But representatives of the multinational organizations including the Members of the Parliament and the citizens who concerned in this regard submit information to the fact that, if the electoral register is certified at the end of the year about three lakhs of electors who have completed the age of 18 years and qualified for new registration would not get the opportunity cast their votes. Therefore, discussions were held with District Registering Officers and District Deputy/ Assistant Commissioners of Elections in this regard and abilities to certify the 2014 electoral register during the month of October were sought. Accordingly, action was taken to certify the electoral register on the 31<sup>st</sup> of October 2014 and to amend the programme of revision of electoral registers.

- 2.2.11. Accordingly, steps were taken to conclude, before mid-July, the field activities of the enumeration of electors which were commenced on 16<sup>th</sup> May 2014. The “A” list, which contains the names deleted from the operative register, 2013 and the “B” list, which contains the newly inserted names to the operative register, were prepared during the mid August and were exhibited under Section 13 of Registration of Electors Act No. 44 of 1980 at all District Elections Offices, Divisional Secretariats, all Grama Niladhari Offices and Local Authorities, during 28 days period commencing from 01.09.2014 to 28.09.2014, for the perusal of general public and to provide them an opportunity to submit their claims if their names were not included in the register. In the revision of electoral registers for the year 2014, there were 809,393 names to be deleted and 1,125,582 new names to be inserted to the operative register (2013) in relation to the all electoral districts. Claims and objections were accepted during this period of exhibition. The notice about exhibition of “A” and “B” lists was published in *Gazette* No. 1878/17 of 03.09.2014 and in all national newspapers on 03.09.2014, under the Section 13(2) of the Registration of Electors Act.
- 2.2.12. Before the commencement of enumeration, steps were taken to inform all recognized political parties to appoint representatives, on their behalf, to observe the delivery of enumeration forms (BC forms) to the Chief Occupants and acceptance of such forms after the enumeration. They were also informed to examine the same at the enumerators’ offices after completion of the field enumeration and thereby submit their observations. Since 1981, this opportunity was given to all recognized political parties, as the participation of the agents of political parties to observe the duties of the enumerators will help to prepare an accurate electoral register. It is also a responsibility of all political parties to ensure the participation of their representatives in the enumeration process and ensure that the enumeration has been done correctly without complaining about depriving of the franchise of their party supporters, at a time of an election or when there are complaints from party men. However, while very limited number of political parties appoint their agents in this regard, insignificant number of those appointed contribute to this work. Therefore, for the first time, action was taken at the beginning of the 2014 revision, to inform the party secretaries by letters with relevant statistics, in regard to the number of representatives appointed and that actual number participated for the previous revision (2013) together with other relevant details. The details regarding appointments and participation of representatives of political parties for the revision of year 2014 are shown in *Table IV*.
- 2.2.13. In the year 2014, action was taken at the time of accepting enumeration forms (BC Forms), from enumerators, to inform chief occupants of the relevant households in writing, to obtain further information, about the

incidents which the enumerators had not recommend the inclusion of the names on various grounds, though the chief occupants entered those names or which all the electors of a household were deleted in the year 2014 though they were registered in the year 2013 or which any name was deleted due to various reasons *viz.* failure to handover the BC forms. According to the responses received from the chief occupants, the names which could be registered were accepted and names which could not be registered were treated as claims received during the period for claims and were called for enquires. Names of the electors which could be accepted according to the revealed information in the enquiries were inserted in to the electoral register, accordingly.

2.2.14. With regard to the revision of the year 2014 under the exhibition of “A” and “B” lists, 84585 claims and 853 objections were received by District Registering Officers under each electoral district. The District Registering Officers were instructed to arrange inquiries in relation to above claims and objections within the month of October. Accordingly, the number of claims and objections received, accepted and rejected are shown in *Table V*.

2.2.15. The programme which was implemented in the year 2013 regarding the multiple registrations of the electoral register was carried out during the year 2014 also. Accordingly, multiple registrations among

were examined by using information technology methods. Situations where two or more persons under the same National Identity Card number were also revealed at these examinations and during the enquiries carried out with the electors who were informed by post. However, 137,071 names of multiple registrations were deleted in the year 2014 and details of the number of deleted names, because of multiple registrations, relating to each electoral district are shown in *Table VI*.

2.2.16. Enumerators were instructed to make every effort to obtain the National Identity Card Numbers of persons enumerated, as the production of a valid identity card has been made compulsory at the time of voting according to the Elections (Special Provisions) Act No. 14 of 2004. Even where the identity card number given at the time of enumeration, the computer programme used in the revision process can detect any incorrect numbers. In such instances, the Department of Registration of Persons

and the voter concerned are informed. It was possible by this process to correct a large number of errors in identity card numbers. Attempts by voters to enter their names under several addresses, for various reasons could also be prevented by inserting the National Identity Card number to the electoral Register. Particulars of the persons, who produced their National Identity Cards at the 2014 enumeration and the comparative statement on the number of persons producing particulars of the National Identity Cards at the revisions of electoral registers from year 2005 – 2014, are shown in **Table VII and VIII** respectively.

2.2.17. Action was taken to delete the names of 38 persons from the 2014 electoral register as they were reported to be imprisoned for offences committed under the Bribery Act and Election Laws. Relevant details of the names deleted due to various reasons are shown in **Table IX**.

2.2.18. Before certifying the electoral register draft register was exhibited at District Election Offices and all Grama Niladhari Offices from 23.10.2014 in addition to the publication in the website. General public were informed in this regard *via* paper advertisements and electronic media and to inform before 31.10.2014 the Commissioner of Elections or the District Elections Office if their names were not included in the electoral register. Under the procedure followed in the annual revision of the electoral register, in the year 2012 and 2013, the register could be certified on the 31<sup>st</sup> of December of the respective year. However, in the year 2014, the register was certified two months before to such period. This can be considered as an historic event which was achieved for the first time.

2.2.20. Number of electors registered in 2013 and 2014 according to the electoral districts and the comparative statement of number of electors in polling divisions of each electoral district from the year 2005 to 2014 are shown in **Table X and XI** respectively.

The cost per elector for Western and Southern Provincial Councils has been decreased and the cost per elector for Uva Provincial Council has been increased when compared to the Central, North and North Western Provincial Councils Elections, held in the previous year. While the large number of registered voters in the Western and Southern Provincial Councils and the small number of registered voters in the Uva Provincial Council were the reasons for above change.
- 11.2. The cost of preparation of the electoral register in year 2014 was approximately Rs.104 million which shows an increase of Rs. 17 million compared to the expenditure incurred in regard to the year 2013. ## **12. Conclusion**

Both two duties devolved to the Commissioner of Elections by the Constitution *viz.* annual revision of electoral register, thereby preparing of the electoral register and conduct of elections, were carried out during the year 2014. Especially, while the Commissioner of Elections has vested from the relevant Acts and Orders, twelve months time period to prepare and certify the electoral register, the effort made by all the officers of the Department of Elections to certify the register for the year 2014 within a five month period for the first time, in consideration with the matters relating to the conduct of Presidential Election which was appearing at the end of the year 2014 and the requests made by various political parties, multinational organizations and the general public in that regard, is greatly appreciated. Further, activities in relation to the conduct of Western, Southern Provincial Councils Elections and the preliminary actions of the Presidential Election which was scheduled to conduct within a very limited period of time, could be completed in the proper way with the assistance of the officers of and outside the Department. Especially, it should also be notified that to ensure the conduct of a free and a fair election, certain actions, which were not applied in previous occasions, had to arrange to get rid of the circumstances aroused.
